Weston Rosch

Software · Radio · Aerospace

San Francisco Bay Area · hello@westonrosch.com · westonrosch.com · github.com/InterstellarNerd8760 · x.com/rosch_weston

SUMMARY

High school builder in San Francisco shipping real software, wiring radios, and sending hardware toward the edge of space. Founder of Centauri Academy, a live FCC exam prep app covering all 1,432 Technician, General, and Extra questions. Building the WALL-E high-altitude balloon program (flight computer, sensors, tracking). Varsity cross country at San Francisco Waldorf. Interested in software engineering, aerospace systems, and making space more accessible.

PROJECTS

Centauri Academy · Founder

Live · Software · centauriacademy.app

- Designed, built, and operate a free FCC ham radio exam platform with study mode, flashcards, and practice exams across the full question pool.
- Shipping technical content and daily question-of-the-day videos to grow users.
- Preparing Centauri+ premium features (AI tutor, analytics) once Stripe checkout is available.

WALL-E High-Altitude Balloon

In development · Hardware · Spring 2027 target

- Raspberry Pi Pico flight computer with BME280 environmental sensing, SpotTrace GPS tracking, and onboard data logging.
- Planned LoRa telemetry and recovery systems for the school Space Club’s near-space flight.

EXPERIENCE

Cross Country · San Francisco Waldorf

Varsity · 2025–present

- 5K PR 19:13.2 (4th at Farmer’s Invitational, Sept 19, 2026). 2.95-mile PR 18:19.6 (Polo Fields). 2.7-mile 16:59.3 at Westmoor Ram Invite.
- Prior 5K 19:41.0 (Jim Tracy).

Dungeon Master · Hilltop Creative

2026

- Ran several Dungeons & Dragons sessions.

EDUCATION

San Francisco Waldorf High School

San Francisco, California · 2025–2029

SKILLS & QUALIFICATIONS

Programming & Web: TypeScript, React, Vite, Node.js, Python, HTML/CSS, REST APIs, PostgreSQL, Git/GitHub
Product: Full-stack apps, UI/UX, deployment, analytics, subscription systems
Aerospace & Embedded: Microcontrollers (Pico), sensors (BME280), GPS tracking, LoRa (planned), HAB mission planning
Amateur Radio: Technician license, KO6OGZ
Aviation: 0.7 flight hours in a Kitfox
Athletics: Varsity cross country
