SUMMARY

Student developer and aerospace enthusiast building real-world software, embedded systems, and educational products. Founder of Centauri Academy, a live web app for amateur radio and aviation education, and developer of WALL-E, a high-altitude balloon program. Runs varsity cross country for San Francisco Waldorf. Interested in software engineering, aerospace, and long-term human spaceflight.

PROJECTS

Centauri Academy · Founder · in progress

Study app for ham radio and later aviation. Live at centauriacademy.app.

- Designed and shipped the site from the ground up.
- Writing technical explainers aimed at first-license students.
- Building paid access (Centauri+) and payment checkout.

WALL-E · High-altitude balloon series

Amateur near-space flights: payload, camera, and recovery.

- First mission profile targeting launch in Spring 2027.
- Flight computer, radio, sensors, telemetry, and recovery.

Centauri Shop · Planned

Ham radio and aviation gear for the academy audience. Not open yet.

EXPERIENCE

Cross Country · San Francisco Waldorf · 2025–present

- 5K PR 19:13.2, 4th at Farmer's Invitational, Sept 19, 2026. 2.95-mile PR 18:19.6 (Polo Fields). Prior 5K 19:41.0 (Jim Tracy).

Dungeon Master · Hilltop Creative · 2026

- Ran several Dungeons & Dragons sessions for Hilltop Creative.

EDUCATION

San Francisco Waldorf High School · San Francisco, California · 2025–2029

SKILLS & QUALIFICATIONS

Programming & Web: JavaScript, TypeScript, Python, React, Vite, Node.js/Express, HTML/CSS, REST APIs, PostgreSQL/SQL, Git/GitHub, AI

Product & Software: Full-stack web apps, UI/UX, deployment, debugging, testing, analytics, subscription/payment systems, AI

Aerospace & Embedded Systems: Microcontrollers, sensors, LoRa telemetry, SD-card logging, flight-computer development, HAB planning

Amateur Radio: Technician license (KO6OGZ)

Aviation: 0.7 flight hours in a Kitfox

Athletics: Varsity cross country, 5K PR 19:41.0

Technical Communication: Technical writing, educational content, curriculum, question-bank design, documentation
